

Inform

Addictions, the case of everyone

Addictions affect, directly or indirectly, much of the population. That is why it is important to be informed in order to decrease the negative impacts of addiction.

Act

Services to suit your needs

Therapy, prevention in schools, support groups, individual follow, caregiving, social reintegration, detoxification support and sobering up are just some of the services offered by our members. In a continual effort to improve and develop services, AQCID is the representative of its members to various actors in the network of addictions.

Unite

Working together to make a difference

The AQCID is a voice given to various members of the community network acting in addiction. It is a place of exchange and dialogue that converges to a specific purpose, working together to serve better the population.
